Fee & Refund Policy

For New Clients: Include Rs 500 as ISCOOP organic certification membership fee drawn in Favour of **President, ISCOOP** along with this application, which is non-refundable. Certification fee will be proposed based on the Organic System Plan submitted by the operator. Please submit the filled-in DSP for crop production enclosed with this application. Standard timeline is 7 to 8 weeks from a complete application to a certification decision.

Applicant must re-apply for certification if all documentation required prior to inspection is not submitted within 4 months of receipt of initial application for organic certification. If an applicant is found to be "non-certifiable" or it is determined to be in the applicant's best interest to withdraw the application; or the applicant voluntarily withdraws from the program at any time prior to certification, the applicant will be responsible for the fees that have been incurred to that point. As a general guideline, applicants withdrawing after the application has been accepted and reviewed but prior to the inspection will be responsible for 50% of the certification fee. If the applicant withdraws after the inspection has occurred and prior to review of inspection, the applicant will be responsible for 75% of the total fee. After the inspection report has been reviewed, all fees must be paid.
