

INDIAN SOCIETY FOR CERTIFICATION OF ORGANIC PRODUCTS

ISCOP Offer and Tariff Structure

The prospective operator shall register with IS COP at a nominal registration fee of ₹ 500.00 (for production) and ₹ 2,000.00 (for inputs, group and processing) for staging them to a level of organic awareness and OSP awareness. Registration does not guarantee certification. Invoice amount may change based on operator's shortcomings that lead to additional time or additional inspections. 80% of the proposed offer is payable before preparatory stage. Surveillance inspections will be chargeable, if non-compliances are detected during inspection. If the certification committee demands additional inspections, the charges are applicable as per the tariff structure. If the operator is not interested to encourage additional inspection, the decision of certification committee decision is final and the repayment of advance will be applicable to deductions of total cost or at times fully non-repayable based on the stage of certification process.
